FAST Tigers Still 3rd Best Team in Indiana

As of November 25, 2008, the FAST Tigers continue to raise their point total in the USA Swimming IMX team standings as they are ranked as the third best club team in the State of Indiana for the 2008-2009 short course season. The Tigers are now only 6,000 points out of 2nd place. The scoring is based on the USA Swimming IMX standings where a point value is assigned to swimmers times (11-Over) during the season. Currently, the Tigers are ranked 21st in the Central Zone (15 States) and 158 nationally. The Tigers previous season finishes are as follows...

2008 Long Course - Seventh Place out of 94 teams

2007-2008 Short Course - Seventh Place out of 105 teams

2007 Long Course - 25th Place out of 98 teams

2006-2007 Short Course - 41st Place out of 106 teams

This is an amazing accomplishment for a team that was only started 27 months ago in the most competitive area of the state. Congratulations & keep up the good work...we've got more places to move up and there's nothing we can't do!
