

# FAST Gives Back Santa Claus Classic

Over the last few years, FAST has sponsored a charitable giving program called FAST Gives Back. It is a program where our club partners with local non-profit organizations to raise awareness and donations for the selected organization. We typically couple this with our hosted events and invite other teams to participate as well. FAST Gives Back is voluntary but a great way to engage athletes in helping others and considering those beyond self.

For the Santa Claus Invitational we have selected the Hamilton County Harvest Food Bank. We will accept donations through next Sunday, December 3rd. Four Large Yellow Barrels are placed around the facility this upcoming week and respectfully ask you to consider having your athlete place an item...or two...into one of the barrels to assist someone in need. This year, the HCH Food Bank is serving higher than normal numbers throughout Hamilton County.

Here is a link to the HCHFB website (<https://hchfoodbank.org/>) to view the Top Items needed for donation along with other details.

The Tigers thank the visiting teams for making their donations.
