

Fishers Area Swimming Tigers

10 & Under Tigers

2025-2026

The Tiger Cubs are a part of our FUNdamentals division with an emphasis in building a strong foundation in stroke technique and nurturing a love for swimming. Tiger Stripes is a part of our Learn to Practice division with a goal to continue to develop and refine the foundation of skills and techniques in a fun environment that ultimately encourages participation in our sport. In the 10 & Under groups we focus on establishing good practice habits, translating to better performances in meets.

Expectations increase as they progress through the groups. There will be an increased level of responsibility, character, focus and attention to detail. We want our swimmers to not only understand the meaning of our Tiger Values but how to utilize them on a daily basis in their lives, both in and out of the pool. We strive to build the complete person within the framework of competitive swimming.

There is no charge for these items as they are included in your registration fee. These shirts and caps are to be worn at all home and away meets. There will be a parent information sheet posted to the event that will include all the necessary information, including team attire. In the past it has been lightest to darkest – Fridays (gray), Saturdays (red) and Sundays (black).
